MOTION BY SUPERVISORS MICHAEL D. ANTONOVICH

OCTOBER 15, 2003

With the end of the first half of the 2003-04 State Legislative session and a change in administrations from Governor Davis to Governor – Elect Schwarzenegger, it is an appropriate time to review the effectiveness of the County’s advocacy team in our State Capitol.

I, THEREFORE, MOVE that the Chief Administrative Officer provide an assessment of our Sacramento Advocacy team with recommendations on any changes that may need to take place reflective of the change in administrations.
